Find the opposite – absurd constellations

☞ And it has to do with putting opposed forces into the work. [...] it could be also about making something that is ugly but also beautiful, things that force the works against themselves. S. Price (2)

☞ So I was smashing two things together that didn't belong together – and forced them to become a different thing altogether. J. Humphries (1)

☞ Object, installation, painting, pop art, photography, appropriation art, screen printing

▷ Search your surroundings for pairs of opposites and take a photo of them with your smartphone

▷ Think up some contradictions and absurd compositions of your own. Search for them online or in newspapers and magazines. Make a collage of opposing depictions.
